Each includes tangible methods and valuable resources you can use right away in your early childhood environment.

"This was a super helpful way of attending a course - I loved it. It was super easy to access and break up into small chunks and attend what I could. I would do it again. Thank you!"
Jessamy S., Preschool Teacher

100% Approved in Minnesota & Wisconsin!

When do participants receive a training certificate and/or have attendance entered into Develop or WI Registry?

Simply complete the course and take the short final survey and - DONE! You will gain your certificate instantly and Develop or WI Registry entry within one business day of course completion.

"The instructor was very fun to listen to, and also very relatable. She had real life scenarios and the time flew by." Heather B.

About the Presenter

Raelene Ostberg works to design and deliver fun, engaging and inspiring learning experiences to support early childhood educators in their critical work. She obtained her B.A. in Theater and M.Ed. in Family Education from the U of M and has over 20 years experience in early childhood classrooms.
